

First Quarter News Letter

April 2016

Hmong World Ministries is a Voice of Hope "We bring Hope to the Hopeless in the World"

The King will reply, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me" Matthew 25:40

Through your faithful prayers and financial support to our ministries, hundreds of thousands of people in the world hear the Good News of Christ daily. It's has been a joy for me to visit, preach to churches, and speak to pastors and leaders around the world. **Praise God!**

Hmong Church in VN 2016

Today, we have the very first Hmong Superintendent! He was also the very first Hmong Pastor, who graduated from Bible School with our scholarship program. We had partnered with Hmong local leaders and the Bible School to provide scholarships for Hmong students. As the superintendent, he oversees more than 40 churches. Thank God!

Achievement. In late 2015, we partnered with leaders to build two churches in Asia. Now, the Hmong have their own church to worship God and train their own people. Many new people have accepted

Jesus Christ as their Lord and Savior. **Amen!**

Before me no god was formed, nor will there be one after me.
Isaiah 43:10

Alarming Report: There is a Hmong savior who has come to save the people. Because they are Hmong, they must believe him. Then he will ask Jesus to accept them into his family and will allow them to go to Heaven. They are also required to relocate if they choose follow this false Hmong savior. This recent rise in activity has resulted in many Hmong leaders being captured, tortured, and jailed for their faith. Although we know that he is a fake, many people still do believe him because they lack the proper Bible training.

Missionaries from other countries have been promising money to the Hmong who are willing to join the new denominations; they would be paid according to the size of their congregation. The Hmong are confused, moving from village to village hoping to receive the bribe money from those Missionaries.

With these revelations, feel that it is a must for Hmong World Ministries Radio program to take the initiative on these false prophets by continuing to broadcast — preaching to their churches and contacting them by phone to tell them about the true **GOD**. Pray for us and renew your financial support so we save as many as we can. Amen

Prayer Request

Please pray for:

- May Bo and I to be healthy and strong in the Lord
- More supporters so we can continue our broadcast
- God to stop the false missionaries who use money as their god to draw people to follow them
